Coleman Man Killed In Mine Accident

Kurt Syryca, 22 year old miner, died in the C.N.P. hospital at about 8:15 p. m. Monday from injuries he sustained in a mining accident about 6 o'clock Monday morning.

Mr. Syryca, employed at the Vicary Creek Coal Mine of Coleman Collieries was engaged as a diesel motor driver. The small locomotive was used to haul coal cars in and out of the mine.

Particulars of the accident are not yet available but Mr. Syryca was on the midnight shift when the accident occurred. District Inspector of Mines I. B. Potter of Lethbridge was in Coleman on Tuesday investigating the accident.

Coroner F. S. Radford of

Blairmore has ordered an inquest but date is not yet set.

Mr. Syryca is survived by his wife Denise, a daughter Anita 17 months, a son Wade 7 months, his parents Mr. and Mrs. Zygmunt Syryca, two younger brothers Benny 15 yrs. and Godel 12 yrs. and a young sister Beate 9 yrs., all of Coleman.

Mr. Kurt Syryca was born in Germany on October 7th, 1940. He came to Canada with his parents in 1950, settling in Coleman where he attended school.

Funeral services will be held from Fantin's Hillside Chapel on Thursday at 2 p.m. with Rev. H. deLeeuw officiating. Interment followed in Coleman Union Cemetery.

Minister G. Taylor Outlines Highway No. 3 Road Program

William Kovach, M.L.A. of Hillcrest, after having requested information regarding the No. 3 highway through the Crows Nest Pass from Gordon Taylor, Minister of Highways in Edmonton, received the following information this week.

"With reference to the overpass over the railway at Crows Nest, Mr. Taylor advised that this is connected with the re-location of Highway No. 3 to tie in with the British Columbia re-location. This requires overpassing of the CPR tracks at Island Lake. This overpass is presently being designed and as soon as it is completed, application will be made to the Board of Transport Commissioners for approval to construct. Mr. Taylor advised that if they are able to go ahead with this work, it is suitable work for late fall or winter.

"Mr. Taylor also stated that with reference to the re-alignment at the border, the Alberta proposal is to overpass the CPR mainline crossing over Island Lake, employing the Island for support and joining the Highway No. 3 alignment approximately 1,000 feet east of the Lake. This alignment provides a very good natural railway separation point, which is essential as it spans the main CPR line.

The construction across the Lake will cause a causeway-type roadway and the elevations will establish above the extreme high water mark. The nature of the materials in this area would again permit winter construction when the department is able to go ahead with the project. Mr. Taylor states that they would like to go ahead with it this year but it is not certain at this time whether there will be sufficient money in the vote to do so or not. This proposal provides exceptionally good alignment, gradients and curvature and will be a vast improvement over the existing road. It is the view of the department that the construction across Island Lake will not seriously affect the utility of the Lake as a recreation area, nor will the beauty of the area be adversely affected.

That with reference to bridge-work mentioned in the Manifesto costing some \$43,700.00, Mr. Taylor advised that this does not apply to any one bridge but rather includes a number of small bridges and culverts on local district roads in the M.D.'s and L.D.'s, in that electoral division. The list includes the following M.D. 9 - five large culverts, three standard-span bridges, one salvage steel truss; I.D. 27 one large culvert and I.D. 10 one large culvert.

With reference to the underpass at Maunsell, Mr. Taylor advised that Highway No. 3 between Pincher Creek and Brockton, crosses the CPR tracks by a level crossing. When this section of the No. 3 Highway is upgraded, it is proposed to carry the CPR over the highway by means of an underpass. This requires a short re-location of the CPR tracks. Submission to the Board of Transport Commissioners was made on January 23rd of 1963, and negotiations with this Board and the CPR are still underway. The Department of Highways expect that a Board Order will be obtained this summer and construction of the underpass could proceed to suit the highway construction schedule. Construction in this area will be preceded by some advance drainage work in order to facilitate better and more stable construction at the time the major operation is put underway.

Concluding this information, Mr. Taylor stated that the Department has no knowledge of any plans to bypass Bellevue and Blairmore.

Former Resident Passes In Australia

Word has been received by Mrs. R. Whitehouse of the passing of Mrs. D. Holly, Aug. 4th in Australia. Mrs. D. Holly will be well remembered by old timers. She was predeceased by her husband, the late Mr. David Holly in Coleman before she left for Australia to reside with her son.

Twenty-Four Conventions Instead of One

Members of the Coleman Congregation of Jehovah's Witnesses will experience something new in conventions this year. According to Mr. W. L. Krish, never before has there been a convention like the Around-The-World-Assembly of Jehovah's Witnesses.

He said there will be 24 conventions instead of one. In previous years, delegates were brought from all around the globe to one point in North America. "What makes this year's assembly different," Mr. Krish said, "is that this assembly is actually moving around the world and visiting twenty-four cities in just ten weeks.

Not only are some of the main speakers travelling with the assembly but also a large body of delegates."

Mr. Krish pointed out that 353 delegates, the largest group world tour in commercial airline history, is circling the globe. He said the series began in Milwaukee, Wis. consin, June 30, and then moved on to New York, London and other parts of Europe, as well as cities in Asia, Australia and other Pacific Islands. The series will reach its finale in Pasadena, California, September 14.

The members of the Coleman congregation who are travelling to Pasadena will meet the world-travelling delegates at the Pasadena Rose Bowl. Sponsored by the Watchtower Bible and Tract Society, the eight-day gathering is expected to draw 70,000 delegates from Western Canada, the United States, and 36 foreign countries.

Walter Sapeta Buys Empire Hotel

Walter Sapeta, well known Lundbreck Hotel operator and Bellevue resident has this month purchased the Empire Hotel in Coleman from Richard Kantor.

Mr. Sapeta operated the former Windsor Hotel at Lundbreck for twelve years before fire destroyed the well-known landmark on February 23, 1953.

Mr. Sapeta is married and has three daughters and two sons residing in Bellevue and hopes to move his family to Coleman in the near future. Mr. Sapeta plans to operate the hotel himself and will give the same courteous service that the Windsor Hotel in Lundbreck was noted for.

Grand Union Hotel Redecorated

Workmen are redecorating and renovating the ladies' premises in the Grand Union Hotel this week. According to the proprietor, the work is to be completed within the next two weeks.

Hillcrest Woman Killed In Car Accident

A head on collision three tenths of a mile west of Bellevue on the No. 3 Highway at about 5:15 p.m. Saturday evening claimed the life of a 25-year-old Hillcrest woman and sent another person in the Crows Nest Pass Municipal Hospital.

Dead is Mrs. Sheila Head, young wife of Donald James Head of Hillcrest who died in the Crows Nest Pass Municipal Hospital Sunday morning as the result of injuries sustained in the mishap. Hans Bramer of Coleman, driver of the other car involved in the accident is also in hospital with a fractured left arm and lacerations. A passenger in the Bramer car, Mrs. Karen Pedersen of Lethbridge sustained minor cuts and bruises. Mr. Head and young daughter Elizabeth of Hillcrest, sustained only minor cuts and bruises. Both cars were extensively damaged.

The Bramer vehicle was proceeding in an easterly direction and the Head vehicle was proceeding west when the accident occurred well north of the centre line of the No. 3 Highway after the Bramer car was negotiating a curve in the highway and crossed over the centre line.

R.C.M.P. of the Blairmore detachment are investigating the mishap. Coroner F. S. Radford of Blairmore has ordered an inquest into the accident but the date has not yet been set.

The late Sheila Head is the daughter of the late Mr. and Mrs. Bert Hollingshead of Hillcrest. Funeral services were conducted from the Hillcrest United Church on Tuesday afternoon and interment followed in the Hillcrest cemetery. Rev. H. deLeeuw of Coleman officiated and Fantin's Hillside Chapel were in charge of the arrangements.

Mr. and Mrs. H. Nelson Mark 25th Anniversary

Mr. and Mrs. Harold Nelson were honored at a party last week when over sixty of their friends gathered to mark the couple's 25th anniversary.

An evening of games, dancing and singing was enjoyed with a lovely lunch being served. During the evening, Mr. and Mrs. Nelson were called upon by Mrs. McCorneil who on behalf of the guests presented the couple with a kitchen suite for which Mr. and Mrs. Nelson ably thanked their friends.

Mr. and Mrs. Nelson were married in Coleman on August 19th, 1938 in the Anglican Church by the Reverend Hague. They have lived in Coleman since and Mr. Nelson operates the Kananskis Service Station. They have four children, Gordon of Calgary, Dana and twins Larry and Gary at home.

Attending the anniversary party from out-of-town were: Mr. and Mrs. Mike D'Amico, Mr. and Mrs. Gilbert Hoyle, Mr. and Mrs. Walter Williams, Mr. and Mrs. Tom Wolsencroft and Mr. and Mrs. Gordon Nelson, all of Calgary, Mr. and Mrs. Sid Jarvis of Kamloops and Mr. and Mrs. E. A. Jennings of Elliot Lake, Ontario.

Schools Ready For Fall Term

William McInnes, supervisor of building of the new Coleman High School announced last week that the Horace Allen High School will be completed and ready for occupancy on September 3rd. An official opening for the new building is to be held later in the fall. The name chosen for the school was the result of a majority vote by the school population.

School secretary Nora Goulding advised that there were over sixty new beginners to start school this term and schools have been redecorated and are now in readiness for the coming term. Five rooms of the Coleman elementary school on the top floor will not be used this term but the remainder of the building is to be used. Ten classrooms to accommodate grades one to six in the school are now in readiness.

West Coleman Water Problem

The Journal has been informed that Mr. Ron Knight and Mr. R. Bailey, Chief Water Resource Engineer, were in town this week to inspect the deepening of the Crows Nest River, adjacent to the Town of Coleman.

Alberta Pensioners' Convention Held At Fort Macleod

Alberta Pensioners' convention was held in the Elks hall, Fort Macleod on Wednesday, August 7. Acting President R. J. Graham of Pincher Creek was in charge and Mrs. Cunningham of Lethbridge was secretary.

The meeting started around 10 a.m. with the singing of "O Canada," and the saying of the Lord's Prayer. There was a minute of silence for departed members, with reference for Anson Frayne who passed away in the spring after having been president of the Provincial organization since its inception.

A. A. Neddow, President. Delegates were elected to attend the national convention, and Mr. A. A. Neddow was elected to fill the position of Alberta president. Mr. R. J. Graham of Pincher Creek continues as vice president, and Mrs. Cunningham of Lethbridge is secretary-treasurer.

A delicious lunch was served by the ladies of the Royal Purple of Fort Macleod Branch, in the hall, there being enough space at the south end of the hall for the meeting to be held for the nearly 200 present and then for the lunch to be served at the north end.

Welcomed by Mayor Buzinis

Mayor George Buzinis welcomed the members in the name of the Town of Fort Macleod. James Hartley, M.L.A., brought greetings from Premier Ernest Manning and the Government of Alberta, and Dean Gunlock, who was also an invited guest, filled in for Dr. Lawrence Kindt, who was unable to attend. Mr. W. P. Bullock was on the program to bring greetings also.

Mr. Kay Woods of the Dept. of Pensions, Edmonton, spoke and apparently satisfied his hearers as only one person took advantage of question period.

Branches gave their individual reports, and it is understood that the Macleod Branch won the Bullock trophy for having the most members.

All seemed to agree that it was a very successful convention and equally in praise of the lovely lunch provided by the Royal Purple ladies. Tea was served at adjournment time.

It is understood that the 1964 convention will be held in Pincher Creek.

A machine used to shape the vegetable beds in California is examined by a group of Vegetable Tour participants.

Crows Nest Lake Swimming Pool to be Completed

The Journal was informed today that work will again be resumed on Thursday of this week for the completion of the Swimming Pool at Crows Nest Lake.

The Provincial Government has granted an additional \$1200 for its completion. This makes a total of \$6,200.00 granted for this project.

The proof of the shooting is on the target, for these four Alberta Army cadets who attended the Clear Lake Camp at Riding Mountain National Park this past week. Left to right are Larry Kinley of 57 Selkirk Blvd, Lacombe; Gary Kemble of Red River; Neil Oberst of Ponoka and Walter Buckley of Coleman. All completed two weeks of Army training at the Camp.

Miscellaneous Shower Held Aug. 5

A miscellaneous shower was held for Miss Georgina Misura of Coleman on Aug. 5, in the Catholic Hall. On entering, the bride-to-be was presented with a corsage from Miss Paulette Rypien, her mother received one from Anna Jones and her grandmother, Mrs. G. Carmelo in turn had her corsage pinned by Mrs. J. Novik. They were then escorted to the head table to the strains of "Here Comes the Bride" played by Donna Rypien. The place of honor was a desk appropriately decorated and the chair was set in a horse-shoe of flowers and streamers attached to the corners of the desk. The waste basket, with U. of A. on it was used for distributing the bingo prizes.

Whist and bingo were played with first prize going to Mrs. J. Dick; second to Mrs. Teresa Kornor and consolation to Mrs. Mary Joseph. Mrs. Anna Jones passed a basket of paper roses to each of the guests and the lucky lady, Miss Heather Fleming, who found a bride's slipper in it, received a prize.

After a lovely lunch was served by the hostesses, the bride-to-be was presented with many beautiful and useful gifts by her cousin Paulette Rypien. The hostess gift consisted of a set of pots and pans. Some of the other gifts were: a vacuum cleaner, set of dishes, electric iron, Dutch oven and kitchen utensils. She then ably thanked all those who were present, those who sent gifts but were unable to attend and a very special thanks to the hostesses for making her shower such a success.

Georgina was a secretary in the purchasing department of the U. of A. in Edmonton for the past three years. Her wedding will take place in Coleman on August 31.

I wish to express my sincere thanks to those who attended my shower and also those who were unable to attend and sent gifts and a very special thanks to my hostesses who made it a huge success. I would also like to thank Mrs. S. De Martin for the flowers for the table.

Georgina Misura.

Miss Eleanor Raymond Honored At Shower

About 175 friends attended a miscellaneous shower held in honor of Miss Eleanor Raymond in the Elks' Hall on Thursday, August 1st. The Hall was gaily decorated for the occasion.

The bride elect was escorted to the head table by Mrs. Gloria Olzewsky, her mother Mrs. Kay Raymond was escorted by Mrs. B. Bond and the groom-to-be mother Mrs. L. Bubnisk, was escorted by Mrs. Julia Lant and each were presented with a corsage by their escorts. At this time the Wedding March was played by Mrs. Isobel Spievak.

Whist and Bongo was the entertainment of the evening. Whist honors going to 1st, Mrs. Isobel Putsuk; 2nd, to Mrs. J. Dick and consolation to Mrs. Helen Skura. Bingo prizes were won by many. The Door Prize was won by Mrs. Mildred Zak. At the conclusion of the entertainment a lovely lunch was served by the hostesses, after which Miss Raymond was presented with many useful and beautiful gifts. The major gifts were: a vacuum cleaner, set of pots and pans, set of dishes, ironing board, hostess chair and chrome step-on can.

The hostesses' gift was a chrome bread box and canister set to match.

The honored guest very ably thanked all present for the lovely gifts and well wishes, and also the hostesses who helped to make for her a very memorable evening.

Shower Held For Bride Elect

A miscellaneous shower was held in honor of Miss Cynthia Bond, bride-elect on August 20th in the Elks Hall. For the occasion the Hall was decorated with summer flowers and inverted umbrellas attached from the ceiling. The bride elect was escorted to the head table by Miss Geraldine Panek, her mother, Mrs. Frances Bond was escorted by Mrs. Kay Raymond and the groom's-to-be mother Mrs. Squarek was escorted by Mrs. Fortunaso, and each were presented with corsages of pink carnations. During this time the Wedding March was played by Mrs. Isobel Spievak and the honored guest was showered with confetti.

Whist and Bingo was the entertainment of the evening. Whist honors going to 1st, Mrs. C. Lucchini; 2nd, Mrs. Jean Kubica and consolation Mrs. M. Constanto, and the door prize went to Mrs. J. Hummel.

The guest book was in charge of Mrs. A. Roughhead.

A delicious lunch was served by the hostesses after which the honored guest was presented with many useful and beautiful gifts. The major gifts consisted of a set of Revere Stainless Cook Wear. Sunbeam vacuum cleaner, canister set, cutlery set, electric coffee percolator, teapot, rug and kitchen tool set. The hostesses' gift was a bread box of chrome plate and also a Bin-Master of chrome plate. Miss Beverly Bond, her sister, assisted in unwrapping the gifts.

The honored guest in a few well-chosen words very ably thanked the friends assembled and those unable to attend for the beautiful gifts and good wishes bestowed upon her. She also thanked the hostesses for the memorable occasion.

Card of Thanks

I would like to express my deepest appreciation to all the ladies who attended the shower held in my honor and those who donated but were unable to attend. A special thanks to the hostesses who worked very hard to make the shower a success.

LETTER TO EDITOR

Nanton, Alberta
August 15, 1963.

Mr. Norman Botterill

CJLH-TV

Lethbridge, Alberta

Dear Mr. Botterill:

This letter will confirm our telephone conversation concerning the satellite station located near Burn-in in the Crows Nest Pass, about which the people are complaining because of poor reception.

As you mentioned in our conversation, the location of the satellite is an engineering problem and the direct responsibility of your station, CJLH-TV Channel 7. I am pleased to learn that you and your television company assume full responsibility, and have been making determined efforts to correct the matter.

I should be pleased to have a full report on what measures have been taken, because the people of the Crows Nest Pass seem quite disturbed over the type of reception they are getting, and it would be appreciated if your company would take every measure possible to improve the reception for the people of the Crows Nest Pass.

Lawrence E. Kindt, M.P.

Aug. 21, 1963.

Dear Mr. Holstead:

I am enclosing a money order for two dollars (\$2.00) for my subscription. We enjoy getting the paper, enabling us to keep up with the local news. It is always nice to read about old friends.

We are all well and working hard — that's what keeps us healthy.

Richard will be going back to Edmonton the first of September to complete his last year of dentistry. He gets a lot of enjoyment out of the career he has chosen.

I'm glad to see the citizens of Coleman are getting some action taken on the dust problem.

Regards to all.

As ever,

Mr. and Mrs. Bill Chernesky.

CARD OF THANKS

We would like to express our sincere thanks to all those who helped in any way during our recent sad bereavement, with a special thanks to friends and neighbors.

Mrs. K. Parkinson,
and son Harry.

Motoring with children requires careful planning

Motoring with children can be a horror and a headache, says the B.C. Automobile Association, or it can be peaceful and pleasurable. The difference depends on one basic factor—planning.

Families intending to take young children along on a trip of more than two hours had better prepare for it.

Proper planning calls for all luggage to be packed in the trunk, so that the children have plenty of room in the back seat, unhampered by bulky suitcases. Make sure the small children's legs do not dangle over the seat, as this can tire them rapidly. Provide a board or some object on the car floor as a foot rest.

Young children who don't understand the dangers of motoring should not be allowed in the front seat where their actions and talking can upset or distract the driver. Children riding in the back seat should be warned not to touch the door handles.

Exercise and light eating help everyone's disposition. Make frequent roadside stops to allow for stretching and running off excess energy. Avoid heavy meals and don't let the children fill up on candy. Fresh fruit can be substituted for between meals sweets.

In warm weather youngsters, as well as parents, should be dressed in loose-fitting, cool clothing that allows freedom of movement and relaxation while riding.

Boredom and restlessness can be eliminated with games, puzzles, quizzes, riddles, coin tricks and other time-fillers. Favorite toys — and new ones bought especially for the trip and saved for a strategic moment — can keep the little ones in a happy frame of mind.

The annual shopping list of General Motors of Canada includes such unusual items as bread pans for stocking certain small parts; snow shovels for stock picking; and roller skate wheels for trailers for conveyors.

WAINWRIGHT WOMAN CALGARY AQUARIUM MILLIONTH VISITOR

Mrs. Dave Gardiner of Wainwright, Alberta, was the one millionth visitor to the Calgary Aquarium. Here she chats with J. B. Cross, past president of Calgary Brewing & Malting Co. Ltd. and founder of the aquarium following presentation of \$100 in Silver Dollars.

The Calgary Aquarium welcomed its one-millionth visitor Friday, August 16th, with a display of nautical tradition that included an underwater sea chest with 100 pieces of silver as its treasure — and a pretty mermaid to dive for it.

A daily count of the number of visitors has been kept since August 25th, 1950 when the Aquarium, a free-admittance public service project of the Calgary Brewing & Malting Co. Ltd., was opened in a half-million dollar building adjacent to the Brewery plant at

cent to the Brewery plant at Calgary. It is the only interior aquarium in Canada.

At 2:45 p.m. August 16, Mrs. Dave Gardiner, Sr. of Wainwright, Alberta, walked through the main entrance of the Aquarium and became its millionth visitor and the recipient of a \$100 cash prize, a commemorative scroll, a bouquet of flowers and a fish dinner — a fresh-caught Arctic char flown to Calgary for the occasion from the North West Territories.
